

# Configuring Restrictions

Click on **Settings**

Choose **General**

Choose **Restrictions**

Click **Enable Restrictions** or **Disable Restrictions** (depending on whether any are set)

Set a Passcode

Choose the items to restrict

If students will be using your iPad, we suggest the following (you can always turn things back on if you need them later):

**Allow:**

Safari: On

YouTube: Off

iTunes: Off

Installing Apps: Off

Deleting Apps: Off

**Allow Changes:**

Location: On

Accounts: On (or Off, depending if the student will be using the iPad for extended time)

**Allowed Content:**

In-App Purchases: Off

Ratings for: United States

Music & Podcasts: Clean

Movies: G

TV Shows: TV-Y7

Apps: All

**Game Center:**

Multiplayer Games: Off

Adding Friends: Off
